

Enchantment's Embrace

Come back to Enchantment, a year later, where beautiful Eryn begins her life with Uriah, finding with him a heated love that has no boundaries. Return to the Allegheny Mountains, to the log cabin where it all began. Happiness abounds as they plan their future together, knowing their love was meant to be. But soon heartbreak, revenge, illness, and threats from their past wreak havoc on all they love. Can their love endure the many challenges yet to face them?

Handsome Uriah finds it difficult to be in the same room with her without his blood flowing hot, wanting to own her body in every way. Loving Eryn is all he could have dreamed of. Then why does he leave her behind as he uses the Portal to return to 1883? Can he protect those he loves, both in the past, and present? Will fate steal their love once again?
